

Be a Biker Bob's Bobbette

Do you have what it takes to be a Bobbette for Biker Bob's Harley-Davidson Motown and Buell Motown? Be a part of the Midwest #1 and the Nations #9 Harley-Davidson and Buell dealership for Customer Satisfaction.

This is who we're looking for:

- You're the hottest one there...where ever you are!
- Out-going, friendly and always have a smile on your face.
- You love to meet new people.
- Crave attention when you're out in public.

Then Biker Bob's Motown is looking for you to promote our dealership. You will attend events such as Autorama, The International Bike Show, Sporting Events, Motorcycle Rides and various charitable events.

We will hold interviews this winter at Biker Bob's Motown, Telegraph Road between Northline and Eureka in Taylor, Michigan's Motorcycle capital. Watch our web site for updates.
